[^] Explained in detail later in the brochure

Note: In case of rider benefits, if opted for, shall be payable as per rider sum assured chosen at inception.

Your Benefits

Death Benefit

In case of the unfortunate demise of the life insured during the policy term, Death Benefit will be paid to the nominee. Death Benefit is the Sum Assured on death less any previously paid Terminal Illness Benefit. The policy shall be terminated once the Death Benefit is paid.

Sum Assured on Death for regular | limited pay will be highest of -

- 10 times of the Annualised premium for all ages; or
- 105% of all the Total Premiums paid as on the date of death; or
- Absolute amount assured to be paid on death

Sum Assured on Death for single pay will be highest of-

- 125% of single premium for all ages; or
- Absolute amount assured to be paid on death

Annualized premium shall be the premium amount payable in a year chosen by the policyholder, excluding the taxes, rider premiums, underwriting extra premiums and loadings for modal premiums, if any.

Total Premiums paid means total of all the premiums received, excluding any extra premium, any rider premium and taxes.

The absolute amount assured to be paid on death is the Effective Sum Assured as on the date of death.

- Under Plan Option 1 or 2 or 7 or 8 – The Effective Sum Assured is the sum assured at inception and same will remain constant throughout the policy term
- Under Option 3 or 4 – Effective Sum Assured will increase on every policy anniversary. The amount by which the Effective Sum Assured will increase on every policy anniversary is the sum assured at inception multiplied by 5% / 10% p.a. (simple), as chosen by you at inception
- Under Option 5 or 6 – The Effective Sum Assured is the sum assured as per the Decreasing Sum Assured Schedule

For Option 1 - Level Term Assurance Option and Option 2 - Level Term Assurance with Waiver of Premium (WOP) benefits, the Effective Sum Assured shall include any change in Sum Assured arising from the exercise of the Enhanced Life Stage Protection option.

The nominee has an option to take the Death Benefit by choosing one of the following options:

i. Lump sum payment

or

ii. Staggered payment with fixed annual income. In this option the Death Benefit will be paid as

- One-time payout of 58% of Death Benefit at the time of claim settlement plus;
- The remaining Death Benefit is paid as an annual income. An annual income as a fixed percentage of Death Benefit on each death anniversary of the life insured for the chosen payout term (10 or 15 years) will be payable as shown in the table given below:

Payout term	% of Death Benefit
10	5.77 %
15	4.40 %

or

iii. Staggered payment with increasing annual income @ 5% p.a. In this option the Death Benefit will be paid as:

- One-time payout of 58 % of Death Benefit at the time of claim settlement plus;
- The remaining Death Benefit is paid as an annual income. An annual income as a fixed percentage of Death Benefit at the time of claim settlement and then increasing at the rate of 5% per annum simple on each death anniversary of the life insured for the chosen payout term (10 or 15 years) will be payable as shown in the table given below:

Payout term	% of Death Benefit
10	4.81%
15	3.40 %

In case the nominee would like to get a lump sum instead of the staggered payout post exercising this option, a discounted value of the outstanding annual income shall be paid as lump sum subject to a minimum of the Death Benefit payable less annual income already paid. The discounted value currently shall be calculated using an interest rate of 6.25% per annum. This interest rate is subject to change in future with prior IRDAI approval.

In case you are diagnosed with a Terminal Illness, 50% of the applicable Sum Assured on Death, subject to a maximum of ₹2.5 crore will be paid immediately, and all future due premiums are waived off. On subsequent death of the Life Insured during the policy term, the Sum Assured on Death shall be reduced by the amount of Terminal Illness Benefit already paid. Future due premiums are not liable to be paid on their premium due dates.

Terminal Illness Benefit shall only be payable on the first diagnosis of any Terminal Illness of the Life Insured during the policy term.

Terminal Illness Benefit

Waiver of premium on Total and Permanent Disability (TPD)

In case of the life insured suffering from Total and Permanent Disability during the policy term described later in detail, all future premiums, if any, will be waived off. Death Benefit under the policy will remain unaffected.

In case of the life insured suffering from any of the specified Critical illness during the policy term described later in detail, all future premiums, if any will be waived off. Death Benefit under the policy will remain unaffected.

Waiver of premium on Critical Illness (CI)

The premium waiver on TPD or CI is applicable only if you have chosen Plan Option 2,4,6 or 8. Premium waiver benefit is applicable on the first occurrence of either TPD or Critical Illness whichever is earlier. This benefit is applicable only once during the entire policy term.

Joint Life Protection

Under this option, two lives i.e., you (primary life insured) and your spouse (secondary life insured) are covered under the same policy. The sum assured applicable for your spouse shall be equal to 50% of your applicable sum assured. This option shall only be available where the sum assured of primary life insured is greater than or equal to Rs 5,000,000. You can opt for Joint Life Protection for only if Plan Option 1,2, 3 or 4 is

chosen. You can opt for this option at the inception of the policy and the same shall not be changed subsequently. No rider can be opted under this option.

Example: Atul (aged 35) and Nina (aged 30) both non-smoker couple choose Life Shield with joint life cover for 30 years. First life (male) opts for a Sum Assured (SA) of ₹1 Cr and second life cover applied is ₹50 lakhs. Then the premium for both of them is :

Atul – For Sum Assured 1 crore the annualized premium ₹11,510

Nina - For Sum Assured 50 lakhs the annualized premium is ₹4,375

So the joint life premium payable is $(11,510 + 90\% \times 4,375) = ₹15,448$ (with a 10% discount on the premium for the spouse)

In case of death of the primary life insured prior to the secondary life insured, sum assured on death for primary life insured will be paid to the spouse (secondary life insured) and the life cover for secondary life insured will continue with the future premiums, if any, waived off. Then on the death of secondary life insured, before the policy maturity date, sum assured in respect of secondary life insured will be paid to the nominee and policy will be terminated.

In case of death of secondary life insured prior to primary life insured, sum assured in respect of secondary life insured will be paid to the primary life insured. Future premiums, if any, will be reduced from the next policy anniversary to the premium that would have been charged at inception for only primary life insured at policy inception. Then on the death of the primary life insured, before the policy maturity date, the sum assured on death in respect of primary life insured will be paid to the nominee and the policy will be terminated.

If case of death of both the lives simultaneously the sum assured on death in respect of the primary life insured as well as sum assured in respect of secondary life insured will be paid to the nominee and the policy will be terminated.

Once the Joint Life Protection is opted, you cannot discontinue the coverage of the particular life, unless it is due to the events as mentioned above.

The Terminal Illness Benefit as explained in the Death Benefit section shall be applicable in respect of both i.e. the primary life insured and the secondary life insured.

Your protection need varies at different lifestages owing to occurrence of joyous events such as marriage & birth of children. You may opt to increase your life cover on occurrence of each of the events without undergoing for any fresh medical examination. This feature is available only for policy under Plan Option 1 & Option 2, standard life at inception of the policy, regular pay policy and the attained age of life insured is less than or equal to 50 years while exercising this option. This option is not available if Joint Life Protection is opted. Future premiums shall be considered at the premium rate as applicable on the age at inception of the policy. Future premiums shall be increased in proportion of the increase in the sum assured to the sum assured at inception of the policy and will be reflected from the subsequent policy anniversary. The details of Enhanced Lifestage Protection are mentioned below:

Enhanced Life Stage Protection

Event	Enhanced Protection (% of Sum Assured at Inception of the policy)
First Marriage	50% subject to a maximum of ₹50,00,000
Birth of 1 st Child	25% subject to a maximum of ₹25,00,000
Birth of 2 nd Child	25% subject to a maximum of ₹25,00,000

You can choose to reduce the sum assured in future to the extent of sum assured increased under the Enhanced Lifestage Protection option. The reduction in sum assured will be effective from the policy anniversary falling immediately after the date of notification and the premium will be decreased at the same time. Any increase in sum assured due to your first marriage, birth of first child or second child under this option, may be subsequently reduced subject to the written request. The premium shall be decreased by the same amount as the premium was increased while exercising the Enhanced Lifestage Protection option.

Maturity Benefit

In the event the life insured survives to the end of the policy term, no benefit is payable on maturity except when the Return of Premium Plan Option 7 | 8 is chosen and then the sum of all the premiums (excluding GST, premiums paid towards underwriting extras and/or riders as may be applicable) shall be paid on the policy maturity date and the policy will be terminated thereafter.

Death Benefit

- If Plan Option 1 or 2 or 3 or 4 or 5 or 6 is chosen

Not applicable

- If Plan Option 7 or 8 is chosen

You may choose to stop paying premiums at any time once all due premiums, for at least two policy years have been paid and continue this policy on a reduced paid-up basis.

Under Reduced Paid-Up, your Sum Assured as on the date of Death shall be reduced in proportion to the premiums actually paid to the total premiums payable during the premium paying term.

The Terminal Illness Benefit payable will be the reduced paid up terminal illness benefit applicable at that time.

Reduced Paid Up

The condition has to be confirmed by a specialist medical practitioner. Coma resulting directly from alcohol or drug abuse is excluded.

13. Kidney failure requiring dialysis - End stage renal disease presenting as chronic irreversible failure of both kidneys to function, as a result of which either regular renal dialysis (haemodialysis or peritoneal dialysis) is instituted or renal transplantation is carried out. Diagnosis has to be confirmed by a specialist medical practitioner.

14. End Stage Liver Failure - Permanent and irreversible failure of liver function that has resulted in all three of the following:

- Permanent jaundice; and
- Ascites; and
- Hepatic encephalopathy

Liver failure secondary to drug or alcohol abuse is excluded.

Total and Permanent Disability (TPD)

Total and Permanent Disability (TPD) can be defined as the loss of the physical ability through an illness or injury to do at least 3 of the 6 tasks listed below ever again.

The relevant specialists must reasonably expect that the disability will last throughout life with no prospect of improvement, irrespective of when the cover ends or the insured person expects to retire. The insured person must need the help or supervision of another person and be unable to perform the task on their own.

The tasks are:

1. **Bathing** - the ability to wash in the bath or shower (including getting into and out of the bath or shower) or wash satisfactorily by other means
2. **Dressing** - the ability to put on, take off, secure and unfasten all garments and, as appropriate, any braces, artificial limbs or other surgical appliances
3. **Getting in and out of bed** - the ability to move from a bed to an upright chair or wheelchair and vice versa
4. **Maintaining personal hygiene** - the ability to maintain a satisfactory level of personal hygiene by using the toilet or otherwise managing bowel and bladder function
5. **Feeding oneself** - the ability to feed oneself once food has been prepared and made available

6. **Getting between rooms** – the ability to move indoors from room to room on level surface

Total and Permanent Disability must be medically documented for an uninterrupted period of at least six months. Proof of the same must be submitted to the Company while the Person Insured is alive and permanently disabled. In the event of death of the Person Insured within the above period, no benefits will be payable under Total and Permanent Disability. TPD benefit can be claimed only once in the life time starting from the first year.

Injury

Injury means accidental physical bodily harm excluding illness or disease solely and directly caused by external, violent, visible and evident means which is verified and certified by a Medical Practitioner.

Terminal Illness

Terminal Illness is an advanced or rapidly progressing incurable and un-correctable medical condition which, in the opinion of two independent Medical Practitioners appointed by us, is highly likely to lead to death within 6 months. Further, the Life Insured must not be receiving any form of treatment other than palliative medication for symptomatic relief.

Medical Practitioner

Medical Practitioner is a person who holds a valid registration from the Medical Council of any state or Medical Council of India or Council for Indian Medicine or for Homeopathy set up by the Government of India or a State government and is thereby entitled to practice medicine within its jurisdiction; and is acting within the scope and jurisdiction of license. Such Medical Practitioner is not the policyholder's spouse, father (including stepfather) or

Hemant Bandodkar / Traveller Family

mother (including stepmother), son (including stepson), son's wife, daughter, daughter's husband, brother (including stepbrother) and sister (including stepsister) or Life Insured / policyholder under this policy and would be independent of the insurer.

Terms & Conditions

Free-Look Period

You will have the right to return your policy to us within 15 days (30 days in case the policy issued under the provisions of IRDAI Guidelines on Distance Marketing⁽²⁾ of Insurance products) from the date of receipt of the policy. We will refund the premium paid once we receive your written notice of cancellation (along with reasons thereof) together with the original policy documents. We will deduct proportionate risk premium for the period of cover and expenses incurred by us on medical examination and stamp duty charges while issuing your policy.

⁽²⁾Distance Marketing includes every activity of solicitation (including lead generation) and sale of insurance products through voice mode, SMS, electronic mode, physical mode (like postal mail) or any other means of communication other than in person.

Grace Period

If you are unable to pay your premium by the due date, you will be given a grace period of 30 days (15 days in case of monthly mode) and during this grace period all coverage under your policy will continue.

Revival

If you do not pay your premium within the grace period, the following will be applicable:

If Plan Option 1 or 2 or 3 or 4 or 5 or 6 is chosen

If you do not pay your premium within the grace period, your policy will lapse, and all benefits will cease immediately.

If Plan Option 7 or 8 is chosen

- (a) In case you have not paid premiums for two full policy years, your policy will lapse and all benefits will cease immediately
- (b) In case you have paid premiums for at least two full policy years and any subsequent premium is not paid, then on expiry of the grace period, the policy will continue on Reduced Paid-up basis

If you do not pay your premium within the grace period, your policy will lapse and all insurance will cease immediately.

If you do not pay your premium within the grace period, your policy will lapse, and all insurance will cease immediately. You can revive your policy for its full coverage within five years from the due date of the first unpaid premium by paying all outstanding premiums together with interest @ 1% per month as declared on June 1st, 2019 and by providing evidence of insurability satisfactory to us. The monthly interest rate charged on unpaid premiums will be declared by ABSLI on June 1st of each calendar year and is determined as $(x+1\%)/12$ rounded to the nearest 0.1%, where x is the base rate of the State Bank of India. Any change in basis of determination of interest rate for revival will be done only after prior approval from IRDAI.

Goods and Services Tax (GST)

GST, as applicable, will be extra and levied as per the extant tax laws.

Tax Benefits

You may be entitled to certain applicable tax benefits on your premiums and policy benefits. Please note that all the tax benefits are subject to tax laws prevailing at the time of payment of premium or receipt of benefits by you. It is advisable to seek an independent tax advice.
