These fund options are –Group Money Market, Group Short Term Debt, Group Gilt, Group Fixed Interest, Group Bond, Group Secure and Group Stable. If you wish to diversify your risk, you can choose to allocate your premium in varying proportions amongst the seven segregated fund options, in increments of 5%, ranging from 5% to 100%. We record your allocation instructions as per the premium allocation percentage.

You may request in writing to change the premium allocation percentage by using the premium redirection facility any time when the policy is in effect. Once received by ABSLI, the change request will apply to all policy premiums received by us from that date onwards.

You can switch from one segregated fund to another segregated fund within the Self-Managed Option, provided the switched amount is at least ₹5,000 per policy.

For Assured Option only:
