FLEXIBLE CONTRIBUTION

At the inception of the scheme the policyholder shall pay ABSLI a contribution pertaining to the past service in respect of the members or transfer the existing fund to ABSLI.

Any contributions received will be converted into units for each account and tracked separately. The contributions can be invested in one or more of ABSLI funds as per the policyholder's request. All contributions should be paid to ABSLI with relevant details with respect to account and segregated fund allocation.

MULTIPLE ACCOUNTS

The policyholder may specify the number of accounts he wants to maintain the fund in. Contributions will be invested account wise, and fund value will be tracked for each account separately.

The policyholder may want to manage the policy with multiple accounts if he wants to maintain separate fund for each member (e.g. defined contribution schemes) or separate fund by his office units (e.g. unit / zone-wise schemes).

New accounts can be opened at any time by making fresh contributions specified at the time of payments.

CONTRIBUTIONS

The contributions or premiums to group schemes by the master policyholder shall be made in accordance with the funding requirements as per scheme rules.

POLICY BENEFITS

All benefits under the policy shall be paid to the policyholder. We may on the written request from the policyholder pay the benefit directly to the member under a valid discharge.

Non- death benefits

On instruction from the policyholder we may pay non-death benefit as per the scheme for the member as specified by him. Benefits calculations for policies will be at the current NAV.
