Non-forfeiture Benefit	Paid-Up Benefits Single Pay (Annuity option 1 and 2) Not Applicable Limited Pay (Annuity option 3) The policy acquires Surrender Value upon payment of 1 full year premiums from the date of inception of the policy. Where the policy has not acquired Surrender Value and if the due premium is not received till the expiry of the grace period, such policy shall lapse and all benefits under the policy will cease immediately. Once the policy has acquired Surrender Value and if the due premium is not received till the expiry of the grace period, then such policy shall continue on a Reduced Paid-Up (RPU) basis. After the policy has become RPU, the following benefits shall be payable under the policy: The RPU Guaranteed Annuity shall be equal to the Guaranteed Annuity multiplied by the ratio of: - The number of premium instalments paid to date; over - The total number of premium instalments originally due for the Premium Payment Term. The RPU Variable Annuity shall be equal to the Variable Annuity multiplied by the ratio of: - The number of premium instalments paid to date; over - The total number of premium instalments originally due for the Premium Payment Term. Death Benefit for RPU Policies On death of the Annuitant, during the Deferment period, the death benefit payable to the nominee/legal heirs shall be paid in lump-sum amount equal to 105% of Total Premiums Paid. On death of the Annuitant, after the end of Deferment period, the death benefit payable to the nominee/legal heirs shall be paid in lump-sum amount equal to 100% of Total Premiums Paid. Death Benefit shall be subject to a minimum of Surrender Value applicable at the time of death. Survival Benefit for RPU Policies During the Deferment Period, no annuity is payable to the Annuitant. RPU Guaranteed Annuity and RPU Variable Annuity is payable in arrears, after the end of the Deferment Period, for as long as the Annuitant is alive as per the chosen Frequency of Annuity payment.																																																																																				

Note: - For all the Annuity Options-

- If any Annuity is paid by Us after the date of death of the Annuitant, as the case may be, but before the date of intimation of death, We shall deduct an amount equal to the total of such Annuity paid from the Death benefit payable under this Policy.
- Once the death benefit is paid the policy will terminate and no future benefits will be payable.
- Policies sourced as QROPS through transfer of UK tax relieved assets cannot be surrendered.
- There will not be any maturity benefit payable under this Policy.
- The Procedure for Payment of the survival benefit is as below:
 - The Annuitant is required to submit to Us a Living Certificate in the format prescribed by Us, at least 30 days before the end of each Policy Year. However, in case of Annuity option 2 and 3, the Living Certificate, in the format prescribed by Us, is required to be submitted at least 30 days before the end of every 3rd Policy Year. Living certificate can also be submitted by digital means as prescribed by the company.
 - The above document should be duly signed by a gazetted officer or a Registered Medical Practitioner or a scheduled bank branch manager or public notary or any other person as notified by the Company from time to time **and shall be accompanied by such self-attested identification proof of the Annuitant(s), as may be required by the Company from time to time.**
 - If the foregoing documentation is not received by Us as mentioned above, the payment of survival benefit will automatically cease from the commencement of the immediately succeeding Policy Year until the same is submitted to Us.
 - In certain cases, we may require the Annuitant to submit the above documents in person.
 - We reserve the right to modify the process and requirements set out above with the prior approval of the IRDAI.

Important definition and terminology

- 1. Purchase price (applicable only for Single Pay):** Purchase Price is the Single Premium paid by the Policyholder to secure the benefits under the policy. Purchase Price does not include any taxes which are payable separately.
- 2. Annualized Premium -** Premium amount payable in a year for Limited Pay, excluding the taxes, rider premiums, underwriting extra premiums and loadings for modal premiums, if any.
- 3. Total Premiums Paid -** Total Premiums Paid means total of all the premiums paid under the base product.
- 4. Total Premium Payable -** Total Premiums Payable means Annualized Premium multiplied by the Premium Payment Term. For Single Pay, Total Premiums Payable is the Purchase Price.
- 5. Deferment Period -** Deferment Period is the time in years from policy commencement date post which the first Annuity becomes payable to the Annuitant. It includes the premium payment term. For example, if the premium payment term is 5 years and the deferment period is 7 years, the annuity will start after 7 years from policy commencement date.
- 6. Benchmark:** The closing value of the NIFTY 50 Index on the Benchmark Date, as published on the official website of the National Stock Exchange of India (NSE). In case of unforeseen circumstances like discontinuation of the benchmark by the benchmark provider, trade restrictions on securities and derivatives underlying the benchmark, etc. we may substitute an existing Benchmark with a comparable benchmark after prior regulatory approval.

Note:

For monthly frequency of Annuity payment, the Benchmark corresponding to the date of the first Annuity payout made within the relevant quarter shall be applied.

Example:

Consider an Annuitant, opting for Option 2 (Life Annuity with Return of Purchase Price) under Single Life coverage with frequency of annuity payment as annual. Suppose the policy commences on 15th April 2025, since the annuity payments are paid in arrears, the first payout on 15th April 2026 will be calculated based on the benchmark applicable on the payout date i.e. 14th April 2026.

If the same Annuitant opts for frequency of annuity payments as monthly, the first payout will be made on 15th May 2025, followed by 15th June 2025 and 15th July 2025. These monthly payouts, which are paid in arrears, will be calculated based on the benchmark applicable on the first payout date i.e. 14th May 2025 benchmark.

- 7. Growth Rate:** The growth rate is defined as the annualized rate of return earned on the premiums paid at different time-points during the term of the contract, with reference to Benchmark applicable on each corresponding date. The growth rate will be calculated at every time point of Annuity Payout, Surrender Request or date of intimation of death.
- 8. Guaranteed Component and Variable component:** Guaranteed Component is the percentage of Annualized Premium/Purchase Price attributable to purchase the Guaranteed Annuity.

For Annuity Option 1, Guaranteed Component will be fixed at 100%.

The Annuity Options 2 and 3, Guaranteed Component can be either 60%, 70%, 80%, 90% or 100%, as chosen by the customer at onset of the policy.

Variable Component is the percentage of Annualized Premium/Purchase Price attributable to purchase the Variable Annuity.

Variable Component = 1 – Guaranteed Component.

The Guaranteed Component or Variable Component cannot be changed during the term of the policy.

- 9. Guaranteed Annuity:** The Annuity payable in respect of the Guaranteed Component of the Total Premiums Payable. It is calculated using the following formula:

Guaranteed Annuity = [Guaranteed Annuity Rate x Guaranteed Component x Total Premiums Payable]

- 10. Variable Annuity:** Annuity payable in respect of the Variable Component of the Total Premiums Payable. It is calculated using the following formula:

Variable Annuity = [Variable component Rate x Variable Component x Total Premiums Payable x Premium Conversion Factor]

Variable Annuity Rate = Variable Component Rate x Premium Conversion Factor

No variable annuity payout shall be payable if the Growth Rate is less than 1.75%. Where the Growth Rate is equal to or greater than 20%, the Growth Rate applied shall be capped at a maximum of 20%.

- 11. Total Annuity:** The total annuity is the sum of Guaranteed Annuity and Variable Annuity payable to the Annuitant in year.

Other features

Policy Loan

Policy loan is applicable for Annuity Option 2 and 3 with 100% Guaranteed Component. Policy loan will not be applicable for Variable annuity pay out option. The Policyholder can take Policy Loan, once the Policy has acquired a Surrender Value.

The minimum policy loan amount is Rs. 5,000 and the maximum 80% of the then applicable Surrender Value less any outstanding policy loan balance as on that date.

The current interest rate applicable as on June 1st, 2025, is 11.40% p.a. (compounded annually)

Any change in basis of determination of interest rate for policy loan can be done only after prior approval of IRDAI.

Tax benefits

Tax benefits may be available as per prevailing tax laws. Please note that all the tax benefits are subject to tax laws prevailing at the time of payment of premium or receipt of benefits by you. It is advisable to seek an independent tax advice.

Termination of policy

The policy will be terminated on the earliest date of –

1. The Death of the Annuitant
2. For Annuity option 2 and 3 - The payment of surrender value under the Policy
3. The payment of free-look cancellation amount.

Terms & Conditions

Free-Look Period

You have a free look period of 30 days from the date of receipt of the Policy, to review the terms and conditions of the Policy, in case you disagree with the terms & conditions of your Policy, you have the option to return the original policy document to us for cancellation. We will refund the Purchase price/Total premium paid post receipt of written notice of cancellation (along with reasons thereof) together with the original Policy document from your end. We may reduce the amount of refund with stamp duty charges along with Annuity paid, if any, while issuing your Policy, in accordance with IRDAI (Protection of Policyholders' Interests, Operations and Allied Matters of Insurers) Regulations, 2024.

On cancellation of the Policy during the free-look period the treatment will be as below:

1. For standalone Annuity policies, the proceeds from cancellation shall be returned to the Policyholder.
2. If the policy is purchased out of proceeds of a deferred pension plan of any other insurance company, the proceeds from cancellation will be transferred back to that insurance company.
3. Free look option stated above cannot be exercised, if the Policy has been purchased from funds which are arising from any of Our pension /superannuation plans, under which annuitizing is compulsory and open market option is not available.
4. If this product is purchased through proceeds from subscribers NPS funds, the proceeds from cancellation in the free-look period shall only be transferred back to the Central Record-keeping Agency (CRA) from where the money was received.
5. If this product is purchased as QROPS through transfer of UK tax relieved assets or any other scheme where compulsory purchase of annuity is required, the proceeds from cancellation in the free-look period shall only be transferred back to the fund house from where the money was received.

Grace Period

None for Single Pay

For Limited Pay, the Policyholder will have a Grace Period of 30 days (15 days in case of monthly mode frequency) from the premium due date to pay premiums. During this period, all coverage under the policy will continue. If the premium is not paid within the Grace Period, one of the following will happen:

- If less than one full year's premiums have been paid, policy will lapse, and all benefits will cease immediately.
- Otherwise, the policy will continue on a Reduced Paid-Up basis.

In case of death during the grace period, ABSLI will recover the unpaid premium due from the death benefit payable.

Revival or Reinstatements

Not Applicable for Single Pay

Limited Pay:

On non-payment of premium, a policy will either be treated as lapsed with no benefit payable or made RPU as described in the RPU Section.

Such a policy can be revived to its full value within five years from the due date of the first unpaid premium by paying all due and unpaid policy premiums (along with the interest) to date and by giving ABSLI satisfactory evidence of insurability in respect of the Life Insured. On the effective date of the revival or reinstatement, all the benefits will be restored to their full value.

The compound interest rate, as declared on June 1st, 2025, is 1% per month.

Any change in basis of determination of interest rate for revival can be done only after prior approval of the Authority.

Policy Alteration

You can change annuity payout or premium payment frequency subject to the following conditions –

- Option can be exercised at policy anniversary
- The policy has completed at least one policy year
- The policyholder has to provide a written notice at least 30 days before the policy anniversary to avail the above options
